

LOT NO.	DESCRIPTION	CONDITION	WORKING
	GC=Good Condition VGC = Very Good Condition FC = Fair Condition U = untested W= Working NOS = New OLD Stock		
1	RCA Speaker	VGC	U
2	Speaker Cabinet on Stand	VGC	U
3	Neutrowound	VGC	U
4	True Music Companys' Home Radio	VGC	U
5	HMV Gramophone very Early	VGC	U
6	AtwaterKent type E Speaker	GC	U
7	Bullphone Speaker	GC	U
8	Display box of Early Radio Parts	Ex	U
9	Thomas Edison Phonograph	FC	U
10	The DictaPhone sharing machine	GC	U
11	Astor FP mantle radio	VGC	U
12	Radio parts Early 1920 in display box	FC	U
13	Mendelssohn bakelite mantle radio	GC	U
14	HP 3320B Frequency Synthesiser 10Hz – 13 MHz	GC	U
15	Metrix 931 Signal Generator	GC	W
16	HP 8406A Comb Generator	GC	U
17	HP 8654A Signal Generator 10Hz – 500Mhz	GC	U
18	Teletest Video test chart set	GC	W
19	Aiwa transistor portable	FC	W
20	Digitech and one Henica transistor Portable	GC	W
21	HP 5328A Universal Frequency Counter	GC	U
22	HP 3575A Phase Meter	GC	U
23	HP 200CD Sine Wave Oscillator	GC	U
24	HP 312B Selective Voltmeter	GC	U
25	AT5 – AR8 – Antenna tuner – power supplies.	GC	U
26	Byer – R-R tape recorder.	GC	U
27	ARC-5/SCR274 – LF/MF/HF Rx, VHF Rx.	GC	U
28	ARC-5/SCR274 –MF/HF Tx, VHF Tx, Modulators, control boxes.	GC	U
29	Cossor – mantel radio.	FC	U
30	SCR-183/GF/RU – Tx, Rx, controllers, coil boxes, dynamotor, RAAF publication, and connecting plugs.	FC	U
31	MN-6 Radio compass – Rx, Streamlined loop.	FC	U
32	TR1143 – Tx/RX, power supply, Tx valves, maint. manual.	FC	U
33	A510 Squad radio in transit case, spare rx & tx	GC	W
34	SCR-536 handsets, test set, test jig and direction-finding loop.	FC	U
35	SCR-536 “frequency conversion” kit of coils and crystals.	GC	U
36	Ex-PMG Facsimile Machine prototype and manuals.	FC	U
37	US Marines TBY transceivers, antenna sections, power supplies, microphones/headphones and manuals.	GC	U
38	CPRC-26 transceivers, handsets, antennas.	GC	U
39	Wireless Sets No. 38 MKII, headphones.	FC	U
40	Wavetek SAM 3030 VHF/UHF signal strength meter	GC	W

41	SCR-522/TR5043 test set, manual, accessories and connecting plugs.	GC	U
42	Cabinet telephone exchange.	GC	U
43	“Gibson Girl” lifeboat transmitter, kite, balloon and hydrogen kit.	GC	U
44	AR7 receiver chassis, power supply, speaker panel and coil boxes.	FC	U
45	45 AN/PRC-64 Spy Transceiver	GC	U
46	HP 8553B Spectrum Analyser RF section (140 series plug in) 0 – 110 M	GC	U
47	AWA mantle model 467MA 703 cream	FC	U
48	Philips mantle brown brown marbel cabinet	GC	U
49	HP 4815A Vector Impedance Meter	GC	U
50	HP 4342A Q Meter	GC	U
51	VOL 4 & 5 & 6 Radio service manuals AOSM	GC	W
52	Box of early industrial valves - mostly NOS	NOS	W
53	HP 8553B RF Section (140 series plug in)	GC	U
54	HP 8508A Vector Impedance meter incl. probes and three 8581B plug in	GC	U
55	HP 3406A Broadband Sampling Voltmeter	GC	U
56	HP 241A Oscillator	GC	U
57	Box of radio filter chokes - tested OK	GC	W
58	Box of speaker transformers	GC	U
59	Box of power transformers	GC	U
60	Box of 12 oil-filled electrolytic condensers	GC	U
61	1920's battery set rheostat knobs x 15	GC	U
62	Box of 1950s/60s TV knobs	GC	U
63	Listener In ORIGINAL first two issues	FC	U
64	Scrapbook of Australian Wireless 1940-1960 by Darryl Kasch	GC	U
65	American Radio Craft/Radio mags. 30s & 40s	FC	U
66	Several valve data and transistor data books	GC	U
67	Mullard Outlook magazines from 1958-1970	GC	U
68	AWA Radiotronics magazines from 1963-1969	GC	U
69	Folder of vintage microphone information	GC	U
70	Electronic Training Kit with manual - never used	VGC	U
71	HP 5248L/5350B 0 – 500 MHz Frequency Counter	GC	U
72	HP 5328B Universal Frequency Counter	GC	U
73	HP 5340A Frequency Counter	GC	U
74	Grundig Grid dip meter 1.7-260 MHZ	FC	U
75	HP 651A Test Oscillator	GC	U
76	HP 302A Wave Analyser	GC	U
77	HP 3581A Wave Analyser	GC	U
78	Bird 0-100 watts thurline meter	GC	U
79	Colour Quad processor	NOS	W
80	HP 5257A Transfer Oscillator (for 5240A/B Frequency Counter)	GC	U
81	HP 5258A Prescaler (for 5240A/B Frequency Counter)	GC	U
82	HP 5255A Frequency Converter (for 5240A/B Frequency Counter)	GC	U
83	HP 616A Frequency Generator	GC	U
84	415E SWR Meter	GC	U
85	HP 620B super high frequency sig gen	GC	U
86	HP 341A DC voltage calibrator	GC	U
87	Maconi TF 2700 Universal Bridge	GC	U
88	Kriesler Mantle Radio Model No.11-7	GC	W

89	SSStran AMT30000 AM low power home broadcaster with manual	GC	W
90	Zephyr Ribbon Broadcast Microphone	GC	W
91	BC611F with battery power inverter, recapped and working	GC	W
92	BC 611F with battery power inverter, recapped and working	GC	W
93	Lafayette HA52A VHF FM Communications Receiver	GC	W
94	Military PRC77/RT841 with antenna and handset	GC	W
95	Military French TRPP11 walkie Talkie (like a PRC6) Solid State	GC	W
96	WW11 Military spy radio Type 3 Mark II accessories coils book etc	GC	W
97	TV Camera Hitachi FP7 with power supply cable and case	GC	W
98	Novatech LF/VHF LB & HB Poratable Radio	GC	U
99	"The Unidyne" Model 1A Kit one valve receiver with headphones	GC	W
100	Tektronic Oscilloscope 544 Ad with manual	GC	W
101	Wooden Speaker 920's, Neufeldt & Kuhnk	GC	W
102	2 x VHS VCR Recorder Panasonic and Sanyo	GC	U
103	2 gramophone duster in excellent condition	EC	W
104	Whafdale speaker 15 ohm for Amplifier	GC	W
105	Atwater Kent Radio Model 55	VGC	W
106	Pioneer SM-B161 2xTuner Amplifier and Manual	VGC	W
107	Phillips "Treasure Chest" Radio with Speaker	VGC	W
108	Bosch "Recreator" (circa 1927) (with spare arm)	GC	U
109	Ever Ready "Sky Casket" Portable Valve Radio	GC	U
110	Atwater Kent Radio Model 48	VGC	W
111	2 x Crossley 51 Radios	GC	U
112	AWA "The FISK Radiola" Radio	VGC	U
113	Atwater Kent Radio Model 33	VGC	W
114	AWA Radiola Console Radio battery set	GC	U
115	4 x US Army Walkie Talkies plus Manual, Service Stand and Parts	GC	U
116	Cossor Melody Maker Radio (Restored)	VGC	w
117	Atwater Kent Radio Framed Advertisement	GC	U
118	Precision Model 10-60 Valve, Transistor and Crystal Diode Tester	VGC	W
119	Healing Vibrator Tester	VGC	W
120	RADAMETA Valve Tester and Multimeter	GC	U
121	Model 410 Master Multitester	VGC	U
122	Music Master timber mantle radio	GC	W
123	Kriesler maroon plastic mantel radio	GC	W
124	HMV Nipper cream bakelite radio small crack	FC	W
125	AWA portable electric and battery	GC	W
126	Hicok valve tester	GC	U
127	Two EL34 valves	NOS	U
128	Eddystone receiver	GC	W
129	Astor mickey radio	GC	U
130	BWD Oscilloscope	GC	U
131	Boss headphones	GC	U
132	Leader audio signal generator	GC	U
133	Marantz tuner amp	GC	W

134	Box army radio parts	GC	U
135	HMV clock radio	GC	W
136	Swecheck Pix Tube tester	GC	U
137	Box of transformers	GC	U
138	Box of nine and seven pin valves	GC	U
139	Box of books	GC	U
140	Sony cassette - corder TC133 with speakers	GC	W
141	AVO multimeter model B	FC	W
142	RCA 100A loudspeaker	FC	W
143	Four 1920s valves filaments test OK	FC	U
144	S.G. Brown Headphones	GC	W
145	Philips metal portable for parts	FC	NW
146	AWA Radiola mantle red no knobs	FC	NW
147	Stromberg Carlson 5B15 battery Mantle	GC	W
148	Hotpoint Cream clock Radio	GC	W
149	Mullard Meteor Mantle	GC	U
150	Two HiFI speaker panels with X over network	GC	W
151	Astor Mickey Breadloaf with jam and cream	GC	W
152	1920's Style Mystery Radio what is it ?	GC	U
153	Box of transformers some new	FC	U
154	Box of Assorted loudspeaker	FC	U
155	HP wide range oscillator model 200CD	GC	U
156	AWA comm speaker	FC	U
157	Zenith transoceanic	GC	U
158	Amplion Horn speaker with good driver	GC	W
159	AWA HQ official drawing in frame	GC	U
160	Philips type 2516 vintage radio	GC	U
161	Philips vintage bakelite speaker	GC	U
162	Ferris car radio vintage battery electric	GC	U
163	National Panasonic multi band radio	GC	W
164	Sanyo AM-FM radio cassette recorder	GC	W
165	AWA radiola transisor 7 with BI mains adaptor	GC	W
166	Vintage black venier dial	NOS	W
167	Vintage brown venier dial	NOS	W
168	Philmore Cat 336 crystal set in box	GC	W
169	Sakura VTVM made in Japan	GC	U
170	Wayne Kerr RC bridge	FC	U
171	small valve portable	FC	U
172	2 x books Golden age of radio & More golden Age	GC	U
173	Service Books Vol 1 & 2	GC	U
174	Miniwatt valve data book	GC	U
175	Three x books servicing ect	GC	U
176	Sanwa N501 500KOhm/V multimeter	GC	W
177	Hickok 605A valve tester C/w Transformer	GC	W
178	Grundig miniture tape recorder	GC	U
179	Kriesler Duplex valve radio	GC	W
180	Mullard Meteor Mantle valve radio	GC	W

181	RCA 103 tapestry speaker	GC	W
182	Early microscope in case	GC	U
183	JVC Vdeo sphere TV & clock needs set top box	GC	W
184	Back for brown empire state cabinet	GC	W
185	Power supply kit for valve portable	GC	U
186	Zenith trans-oceanic radio	GC	U
187	Diamond Battery moving shop display	GC	W
188	Minifon wire recorder	GC	U
189	AWA military two way radio Vietnam	GC	U
190	STC portable valve radio	GC	U
191	Kriesler Retro transistor radio	GC	U
192	Astor transistor radio	GC	U
193	AJ Williams 75mv - 5A wooden case meter	GC	W
194	Heathkit 0-12V CRO and VTVM with Handbooks	FC	W
195	Identical pair UTC 230 -120V transformers	GC	W
196	Wobblater unit with construction notes	GC	W
197	Box car radios Ferris - Clarion -ECT	FC	U
198	Box Uniden and GME CB radios	FC	U
199	Box of assorted TV parts	FC	U
200	Four 230 - 12V DC Twin power supplies	GC	W
201	Stancore 230V - 120V - 500VA tranformer	GC	W
202	230V - 6.3V 33A transformer	GC	w
203	Box of assorted circuit boards	FC	U
204	Teac AM-FM stero with assorted radio bits	FC	U
205	Daven set 230V-24V-1KA transformers	FC	W
206	TMC 240V- 120V 350VA transformer	FC	W
207	A&R Type 2166 240V - 115V -2A transformer	GC	W
